REQUEST FOR INFORMATION BY THE ATTORNEY GENERAL
TO AIRVIEW ESTATES, INC.

1. Does the utility provide service without charge or at a reduced rate to any customers? If yes, please provide a schedule showing the revenue that would be collected from these customers if they were charged the highest tariffed rate. Also provide an explanation as to why these customers receive service without a charge or at a reduced rate.
2. Please provide a photocopy of any contract or operating agreement relating to the Management Fee expense for this utility. If the provision of management service is not pursuant to a contract, please explain the reasons for the absence of a contract and provide the terms and conditions of management services.
3. Please provide a summary of the test year expenditures relating to Vendor – Covered Bridge Utilities. If applicable, provide a photocopy of the corresponding work-orders and invoices.
4. The Application includes a description for three projects (with a total of seven sub-projects) with an estimated cost totaling \$118,990. With respect to these projects, please answer the following questions.
 - A. Will any of these projects require a Certification of Convenience and Necessity? If yes, please identify the project(s) and indicate the status of the application(s).
 - B. Please identify the estimated completion date and the useful life for each of the seven projects.
 - C. Please explain the advantage of using a three-year construction surcharge rather than a four-year, five-year, or ten-year construction surcharge.
 - D. Please provide the legal basis that authorizes the use of a sewer construction surcharge.
 - E. Please indicate why the utility seeks a surcharge for construction in lieu of a general increase in existing rates.
5. Please provide a schedule that reconciles the Net Operating Income amount of (13,657) dollars per the Test Period Operations with Net Loss amount of (12,212) per the 2002 U. S. Corporate Income Tax Return.
